Thank you!

Farfar's is getting ready to open for its 44th season and we're hiring several new team members this spring.

Ice Cream Scoopers

As a scooper, you'll work directly with customers to make sure they have a great visit. You'll work closely with a small team (5-6, depending on the shift) to make sure everything is stocked, clean, organized, and ready to scoop. It can get really busy on summer beach days!

If you're available to work some afterschool & weekend shifts, at least 16 years old, and like ice cream...we'd love to meet you!
